TABLE & CHAIR HIRE

A bride and groom are standing in the center of the frame, facing each other. The bride is wearing a white lace wedding dress and has her hair styled in an updo. The groom is wearing a dark suit. They are standing under a large, ornate archway decorated with white flowers and greenery. The background is a brick wall. In the foreground, there are several white chairs with pink ribbons tied around them. The overall atmosphere is romantic and elegant.

PHOTOGRAPHY

Hi I am Janina, I am a professional documentary wedding photographer. I live on the beautiful coast of Lytham St Anne's. I love travelling to new places so I will happily photograph your wedding anywhere in the world.

Your wedding day is a beautiful start of your journey as a married couple, it is all about you and who you are!

My job is to tell the magical story of your amazing wedding day!

My style is natural, creative, relaxed but most importantly **AUTHENTIC & TIMELESS**. For me, photographs are so much more than just pictures, they are little time machines taking us back to special moments and that is what I would love to create for you!

I capture real people, raw and pure emotions also all those big and little kisses, belly laughs and tears. I work closely with my couples and most of the day I am like a "fly on the wall" or "ninja" some people said, so taking a less traditional approach I can create a beautiful story which will stand the test of time and when you and your future generations look back at it you will feel all the excitement, love and happiness from the day again.
